Suggested use: As a dietary supplement, add one scoop to water to taste. Mix before adding ice. Take one or more servings per day depending on activity level.

Caution: Do not exceed recommended daily amount, pregnant or nursing mothers, children under the age of 18, and individuals with known medical conditions should consult a physician before using this or any food supplement.

Heavy Metal: belongs on the radio, not in the human body. For our peace of mind and your safety, we independently test each batch of these electrolytes for lead, cadmium, arsenic, and mercury (not Freddie Mercury). Full details and lab reports on our website.

Do not use if safety seal is damaged or missing, store in a cool dry place, with a lid.

Product code: FP018443
